GSA Cleaner AB Plus

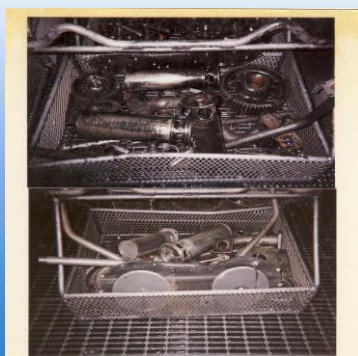

Heavy Duty Multi-Metal Cleaner For Rail & Industrial

DESCRIPTION

GSA CLEANER AB PLUS is a liquid spray/soak cleaner specifically designed for the cleaning of motor parts. It is a low foaming, product for maximum cleaning and no damage to sensitive electrical parts. It is an effective cleaner for all railway and industrial parts where maximum cleaning is a must. **GSA CLEANER AB PLUS is safe on all metals.**

GSA CLEANER AB PLUS will not attack soft metals or varnishes or C3 and C5 insulative coatings.
